We will ask you for the details that we need to know.

In some cases, we will not ask for any of this information. If we do not ask, or if you do not give us all of the information we ask for, any advice you receive may not be appropriate to your needs, objectives and financial situation.

Contractual Liability and your insurance cover Many commercial or business contracts contain clauses dealing with your liability (including indemnities or hold harmless clauses). Such clauses may entitle your insurers to reduce cover, or in some cases, refuse to indemnify you at all. You should seek legal advice before signing and accepting contracts. You should inform us of any clauses of this nature before you enter into them.

A copy is also available on our website, www.avisowa.com.au. If you wish to look at your file please ask us. We will arrange for you to do so.

How will I pay for the services provided?

For each insurance product the insurer will charge a premium that includes any relevant taxes, charges and levies. We often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to us by the insurers. However, in some cases we will also charge you a fee. These will all be shown on the invoice that we send you. You can choose to pay by any of the payment methods set out in the invoice. You are required to pay us within the time set out on the invoice.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy, or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer, or charge you a cancellation fee equal to the reduction in our commission.

When you pay us your premium it will be banked into our trust account. We retain the commission from the premium you pay us and remit the balance to the insurer in accordance with our arrangements with the insurer. We will earn interest on the premium while it is in our trust account or we may invest the premium and earn a return. We will retain any interest or return on investment earned on the premium.

If you pay by credit card, we may charge you a credit card (incl. arrangement & handling) fee, which will be disclosed and shown separately on your invoice, they are non-refundable. This fee covers the cost of bank charges etc. associated with these facilities.

Electronic Delivery of Disclosure & Documentation

Please note that where possible we prefer to provide all correspondence and disclosure notices (including Financial Services Guides and Product Disclosure Statements) to you **electronically, via email or links to websites etc.** If you have provided your email address to us we will typically use that email address for all correspondence and disclosure notices. Should you not wish to be sent disclosure documents electronically please advise us accordingly and we will update our records.

How are any commissions, fees or other benefits calculated for providing the financial services?

Our commission will be calculated based on the following formula:

$$X = Y\% \times P$$

In this formula:

X = our commission

Y% = the percentage commission paid to us by the insurer. Our commission varies between 0% and 27%.

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Any fees that we charge you will be disclosed in our invoice.

- We do not often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we do, we will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 0% to 10% of our commission or fees.
- Our employees that will assist you with your insurance needs will be paid a market salary. Our employees are paid monthly a market salary and may receive a bonus based on the overall performance of the business.
- Details of any remuneration, commission and other benefits that you, or other persons, will or reasonably expect to receive in respect of (or that is attributable to) the service to be provided.
- Details of any remuneration, commissions, fees or other benefits that you will reasonably expect to receive (or that are attributable to) services related to life insurance.

If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice.

Our commission rates for premium funding are in the range of 0% to 3% of funded premium. When we arrange premium funding for you, you can ask us what commission rates we are paid for that funding arrangement compared to the other arrangements that were available to you. The amount of our commission and any fee that we charge will be set out in the premium funding contract.
